## BENEFITS TO THE SECTOR

**Your membership helps us ensure the health and resilience of the theatre sector. Theatre and the performing arts matter; to the public, to society, to education, to the economy. We make this case to government and ensure that our industry's voice is heard.**

By becoming a member of UK Theatre you enable us to deliver campaigns and initiatives that benefit everyone working in the sector, including:

- [Theatre Helpline](#): A free, independent and confidential phone and email service that provides wellbeing support to anyone working in the theatre industry.
- [Hearts for the Arts](#): Celebrating unsung heroes of Local Authorities who are championing the arts.
- [Stage Sight](#): Creating an off-stage workforce that is more reflective of our society today.
- [Inspiring Future Theatre](#): Showing young people the range of careers available in theatre, and strengthening connections between schools and their local theatres.
- [Theatre APPG](#): UK Theatre and SOLT are the Secretariat for the All-Party Parliamentary Group for Theatre, founded to support the resilience and relevance of theatre in the UK for audiences, its workforce and society.
- [Get into Theatre](#): A website helping people find information and opportunities to pursue a successful career in theatre in the UK.
- [Theatre Casting Toolkit](#): To help make the UK's stages and rehearsal rooms more reflective of modern society.
- Support for [Parents and Carers in Performing Arts](#) (PiPA) campaign
- Support for the [Family Arts Campaign](#)
- Last year we submitted evidence to more than 20 parliamentary consultations and helped ready the whole sector for potential industry changes, for examples with our [Preparing for Brexit](#) sessions.
- [Security & Counter Terrorism](#):
  - UK Theatre are the Theatre Industry Sector Lead for the Cross-sector Safety & Security Communications (CSSC), a partnership between law enforcement agencies, local and national government organisations, and private sector businesses. We pay the annual CSSC subscription and support the cascade of time sensitive security information to our members.
  - We are a trusted partner of the Crowded Places information Exchange (CPiE), facilitating the sharing of information relating to protective security in connection with the Crowded Places sector, helping develop best practice concerning threats, vulnerabilities, incidents of attack and mitigation. Our members can join the Theatre Operators Security Communication Advisory Group (TOSCA) and Crowded Places information Exchange (CPiE) theatre subgroup to help develop guidance for our sector.
